

THE HOOSIC VALLEY AFTER PROM PARTY IS CELEBRATING 11 YEARS!

Please help us make this year
extra incredible for our kids!

Greetings:

February 13, 2023

The Hoosic Valley Community Partners (a non-profit group) will host our 11th After Prom Party for the students of Hoosic Valley High School on May 20, 2023. It has been a huge success in the past, with increased attendance every year (over 90% student participation each year). The event is open to all students in grades 9-12, even if they don't attend the prom - and it's FREE!

A series of tragic events involving our local teens led to tremendous heartache in our community some years ago, which then led to the formation of this group and the inception of this event. Historically, the timeframe between prom season and graduation sees a dramatic increase in student incidents. With this in mind, the HV Community Partners saw the need to offer our students a safe, fun alternative to traditional after prom activities.

In order to entice our students to attend, we knew this party would need to be a "can't miss" event! Three main components are key to the party's success: 1. A variety of fun activities (inflatables, video game truck, comedian, caricature artists, etc.); 2. Fabulous prizes (from TV's to gaming systems, to gift cards to kayaks and so much more); and 3. Favorite foods (wings, burgers, subs, pizza, etc.).

This event is funded solely by donations and would not be possible without the dedication of our volunteers and the support of our sponsors. Please consider joining us as a sponsor for the 2023 After Prom Party! You can help in one of two ways:

1. Cash donations to help fund activities / prizes
2. Gift cards or merchandise for prizes

(If possible, donations would be greatly appreciated before May 1, 2023 so we are able to plan accordingly.)
