Dear Parent and Guardians:

The unusual weather patterns this past winter resulted in limited use of our emergency closing days. This limited use has necessitated changes to our school calendar for the remainder of the 2018-2019 school year. Please be advised that school will not be session on the following days:

- Thursday, April 18th.
- Monday, April 29th (Classes will resume on Tuesday, April 30th).
- Thursday, May 23rd.
- Tuesday, May 28th (Classes will resume on Wednesday, May 29th)

While our regular classes at Hoosic Valley will not be in session, off campus programs including classes at the vocational center will follow their regular schedules. Transportation for students attending **off campus programs** will follow the regular school day schedule on the dates above. Transportation will be provided from our campus for students attending the **vocational center** on the days listed above.

Sincerely,

Thomas S. Martin, Interim Principal
Hoosic Valley Jr. Sr. High School
