HV Rep Gears Up for Ambitious Season!

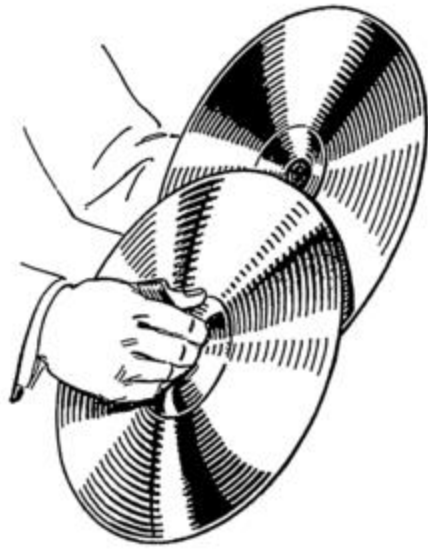

HV Rep announced its upcoming season last week with the featured musical being Roald Dahl's Matilda the Musical. Opening on Broadway in 2013, Matilda ran at the Shubert Theatre for nearly 4 years before closing its initial run on January 1, 2017. The production then embarked on a US National tour later that year and the rights became available to the public in late 2018. Based on the beloved book by Roald Dahl (1988), many students are also aware of the popular film adaptation starring Danny DeVito, which emerged in 1996.

HV Rep will hold Auditions October 21st and 22nd with Call Backs on October 23rd. To prepare for these auditions, it is strongly encouraged that students attend some or all of the Audition workshops:

- *October 3- Song Choice ([follow this link to the production calendar](#))*
 - *October 10- Cold Readings/Improvisation*
 - *October 17- Mock Auditions*
-

All potential Cast and Crew must hand in an Audition Packet by the time of the auditions. (follow this link to the packet)
