

*iSmile Studios*  
CELEBRATING 10 YEARS OF SERVICE IN OUR COMMUNITY

August 2019

Dear Incoming Hoosic Valley High School Senior Parents,

*iSmile Studios is happy to be a part of your student's upcoming senior year. In preparation for the exciting time ahead, we are offering free Class of 2020 senior portrait sessions at Hoosic Valley High School on September 18-20, 2019. Appointments are available at [www.ismilestudios.com](http://www.ismilestudios.com)*

*Portrait sessions consist of formal studio portraits. Girls will be provided with a drape, and boys should wear a button down shirt and tie (suit coat is optional). For the girls, the drape is very easy-- we recommend that you wear a tank top or cami and just move the straps off your shoulders. We'll also be taking portraits in a cap & gown, which will be provided. Students will select one studio portrait for the school yearbook, no charge.*

*After the portraits are taken, images can be viewed in a secure online gallery. After your child's portrait session they will be given an information sheet that has the unique code to view your child's images online. Once you register that code, you'll receive an email when the images are ready to be viewed. You may optionally order a package of any or all of the portraits.*

*Please feel free to email us at [schoolpics@ismilestudios.com](mailto:schoolpics@ismilestudios.com) if you have any questions, or call us at 518-435-1146.*

*We look forward to meeting the senior class soon!*

*Sincerely,  
iSmile Studios*
